Hi Jess,

Sorry, I've been really slammed lately and lost track of your email. Thanks for following up. That document has already been through the public comment period and is being prepped for EPA submittal. There are no changes from the listings.

Hi Lisa,

Just trying to follow up with this.

Thanks!

Jess

Hi Lisa,

I was just looking through the list of TMDLs and assessments and I wondered where you were with the Lower Gallatin Sediment TMDL.

Thanks Lisa and have a good weekend!

Jess
